SOUNDWORKS

IMAGINE. EXPRESS. CREATE. ELEVATE.

WHAT'S INCLUDED

We're extremely excited to announce the return of our Soundworks Choir, which is back with a new name in 2024. Our choir is not just about singing; it's a celebration of fun, camaraderie, and the joy of making music together.

At Soundworks, we understand the importance of building a strong foundation in vocal technique. Our experienced choir leader will guide you through a gradual learning process, demystifying the techniques and artistry of the voice. We see this choir as not only a place to improve your singing skills but a social event to make friends, share in your musical journey and work towards a judgement-free performance at our Soundworks Sessions.

Brunswick has a strong belief in community, and at Soundworks Music Studio, we share that passion. Joining our choir means becoming part of a supportive musical family where everyone shares a common love for singing!

WEEKLY REHEARSALS

The Choir rehearse around the grand piano at Soundworks on:

Thursday, 7.30 - 9.00 PM

**** Adults only**

Parking available on Weston Street and surrounding streets - but double check parking signs!

PERFORMANCES

All members will be invited to perform at various events during the year, depending on your availability.

Performances may be a cappella, or with solo or band accompaniment.
